11. The property to be affected by the proposed activity contains a:

_____ swamp	_____ marsh	_____ bog
_____ lake or pond	_____ floodplain	_____ watercourse
<u> x </u> other regulated area (describe) <u> inland wetlands </u>		

12. Have alternatives been investigated? Explain:

A number of alternatives were considered with varying layouts for the new pool, hardscape and stormwater management system. Ultimately, the current rendition of the site plan was chosen because it maintained the functionality of the site while minimizing the overall disturbance and impervious footprint in comparison to the alternatives.

In accordance with Section 22a-42c of the State Statutes, as amended, if the property lies within five hundred feet of the boundary of an adjacent municipality, the applicant shall give written notice to the adjacent municipality of the application by certified mail, return receipt requested, on the same day that the application is filed with the EPC in Darien.

The undersigned applicant hereby consents to necessary and proper inspections of the above-mentioned property by agents of the Environmental Protection Commission, at reasonable times, both before and after, if a permit has been granted by the Commission.

The undersigned swears that the information supplied in the completed application is accurate, to the best of his knowledge and belief.
